(Vienna, March 3-7, 2021)

Professor Michael Fuchsjäger  
ESR President

**Note**

It is the responsibility of the individual to correct any errors printed on this report by contacting the ESR Office by mail, fax, or email. This confirmation of attendance is available only to the designated individual and will not be supplied to accrediting agencies or other organisations/health authorities.

**CONTINUING MEDICAL EDUCATION (CME) ACCREDITATION**

ECR 2021 has been accredited by the European Accreditation Council for Continuing Medical Education (EACCME®) of the European Union of Medical Specialists (UEMS) for a maximum of 40 European CME credits (ECMEC®s). Each medical specialist should claim only those hours of credit that he/she actually spent in the educational activity. Detailed information about total hours/credits earned based on attended sessions is stated in a separate document (CME Confirmation).

Please note that the number of CME credits may differ from the maximum number of credits your national jurisdiction approves for your continuous medical education.

The Österreichische Ärztekammer (Austrian Medical Chamber) has granted a maximum of 50 DFP (Diplom-Fortbildungs-Programm der Österreichischen Akademie der Ärzte) credits for ECR 2021.

**USA and Canada**

Through an agreement between the UEMS and the American Medical Association, physicians may convert EACCME® credits to an equivalent number of AMA PRA Category 1 Credits™. Live educational activities, occurring outside of Canada, recognised by the UEMS-EACCME for ECMEC®s are deemed to be Accredited Group Learning Activities (Section 1) as defined by the Maintenance of Certification Program of the Royal College of Physicians and Surgeons of Canada.

**Worldwide**

CME points claimed at the ECR are accepted by the majority of national CME authorities worldwide where CME is mandatory for physicians. Please consult your national jurisdiction for the maximum number of CME points it will approve following your attendance at ECR 2021.
